GENERAL MANAGER'S REPORT

SUBJECT: Report from PLAN JPA's General Manager

BACKGROUND AND HISTORY:

Eric Dahlen, PLAN JPA General Manager, will be present to discuss the following items:

- Executive Committee Meeting of October 27, 2025, and the Office Self Insurance Plans (OSIP) Resolution
 - As a result of the efforts of the Executive Committee and the Board of Directors, PLAN JPA has officially launched its workers' compensation coverage program (PLANWORKS). OSIP has provided staff with the master certificate as well as copies of each of the underlying affiliate member's certificates.
- First PLANWORKS Committee Meeting of December 22, 2025
 - The Board of Directors approved the formation of a committee for PLANWORKS. On December 22, 2025, the committee met for the first time and identified Mandy Brown (Hillsborough) as the committee chair. As part of PLAN JPA's governance, Ms. Brown will be joining the Executive Committee as well.
- Updates to PLANWORKS Staff
 - Recently and as part of the new workers' compensation coverage program, Jackie Miller, Sedgwick, was named the Workers' Compensation Program Manager. While she has been instrumental in the building of the program and has seen its launch, she has also announced her retirement effective June 1, 2026. She will oversee a smooth transition of duties and responsibilities until then.
- Economic Impact
 - In December 2025, two separate PLAN JPA members, Los Gatos and Tiburon, provided notices of their intent to withdraw from PLAN JPA to join other pools for their respective coverages. Staff is projecting a relatively small financial impact to the remaining members. While the total exposures will go down, the administrative fees will be spread over fewer members.
